They include rules governing player eligibility, tournament structure, points structure, prize awards, and player conduct. These Competition Rules include this the general terms set forth in Sections 1 - 11 below (“**General Terms**”), as well as the specific terms in the Appendices attached hereto. The Glossary in Appendix 1 has helpful definitions and explanations that are applicable to these General Terms and all other Appendices.

These Competition Rules apply to the individual (natural person), entity and/or group (“**Owners**”) who registered a team (“**Team**”) to participate in the Club Open in accordance with the Esports Registration Procedures and Rules (“**Registration Rules**”) and to each Team’s players, managers, coaches, owners and other representatives. A Team’s players, managers, coaches, Owners and other representatives are referred to in in these Competition Rules as the “**Team Members**”.

Teams will be selected to participate in the Club Open through various mechanisms. Most Teams will be selected to participate based on placement in the open online qualifiers described in these Competition Rules. Teams may also be selected based on other criteria developed and administered by Proxima from time to time.

These Competition Rules apply to online qualifiers, regular season and post-season play, including the World Championship, and any other Club Open tournament, match, game or event (“**Tournament**”).

These Competition Rules and the Registration Rules form a contract between a Team Member and Proxima. Each Team Member is required to read, understand, and agree to these Competition Rules and the Registration Rules before participating in any Tournament.

BY PARTICIPATING IN ANY TOURNAMENT, YOU AGREE TO THESE COMPETITION RULES AND THE REGISTRATION RULES. IF YOU DO NOT ACCEPT THESE COMPETITION RULES AND THE REGISTRATION RULES, AND ABIDE BY THEM DURING YOUR PARTICIPATION IN THE TOURNAMENTS, YOU WILL NOT BE ELIGIBLE TO PARTICIPATE IN THE CLUB OPEN.

- (F) **Residence Requirement Violations.** Each Team is responsible for ensuring that its players meet the applicable residency requirements and that the Team has the required minimum number of players who are residents of its Region. It shall be a violation of these Competition Rules, by both the Team and the player, if a player (or his or her parent or guardian) provides false, misleading or incomplete information resulting in the misclassification of such player's residency and Region. Members of a Team's formal roster who are participating in a LAN Event must arrive at the studio or venue no later than the time specified by the Tournament Organizer. Players will have designated blocks of time prior to their match time to ensure they are fully prepared. Setup time is considered to have begun once a Team's players enter the match area, at which point they are not allowed to leave without permission of Club Open Official. Setup is comprised of the following: (1) ensuring the quality of all Club Open-provided equipment; (2) connecting and calibrating peripherals; (3) ensuring proper function of voice chat system; (4) adjusting in-game settings and (5) in-game warm-ups.

1.4. Game Lobbies

Other than with respect to Qualifier games, all Tournament Games will be played in game lobbies hosted by the Tournament Organizer. Prior to a Tournament start time, Team Captains will be notified of official tournament accounts that will be used to host official Tournament Game lobbies.

1.5. Start of a Game

Once all players of each Team have reported to the official Tournament Game lobby, a Club Open Official will request confirmation from the Team Captains that each Teams is ready to begin the game. Once each Team Captain confirms readiness, the Club Open Officials will instruct the host to start the game.

1.6. Timeliness of Game Start

It is expected that all Tournament Games will begin at the scheduled time. Any delay caused by issues arising out of a Team Member's inadequate preparation will be assessed by Club Open Officials. Sanctions for tardiness may be assessed at the discretion of the Tournament Organizer.

1.7. Technical Support

Notwithstanding the foregoing, if there is an extreme situation, such as a network or hardware failure (including the network value turning yellow or mobile phone stuttering) or a critical bug affecting one or more players, the Tournament Organizer will make a judgement as to how to proceed based on the facts and circumstances existing at the time. There may be circumstances in which a Tournament must proceed, even if one or more players are facing extreme circumstances or critical bugs which might otherwise justify a remake of a Tournament Game and even if the affected players are not at fault in any way. In making a determination to proceed with the Tournament or order the remake of a Tournament Game, Club Open Officials will use their best judgement and may consider, among other factors, the game progress time and whether the player making the report delayed in making such a report. Players that submit false or misleading reports will be subject to disqualification for cheating. If a player is unable to compete in a Tournament Game for any reason (even if the inability to compete is not due to any fault or wrongdoing by the player), and Club Open Officials decide not to remake the Tournament Game, competition should resume as normal, with the affected Team continuing to play without the affected player.
